

Flute Methods, Studies and Ensembles The Ultimate Collection

Table of Contents

Instructions: To open a sheet music file, find the “bookmarks” section on the left side of the screen. Click on the plus-sign in Windows, or the triangle for the Mac, next to the composer of the title (e.g. C.P.E. Bach), then click on the title you would like to open (e.g. “Sonata in G Major”). Note: This document (the Table of Contents) is for reference. Clicking on the titles below will not open the music.

For faster searching using in Windows: (1) Go to the upper left corner of the screen. Click “File/Preferences/General” and uncheck the box labeled “Open Cross-Doc Links in Same Window.” (2) Close files by clicking the smaller “x” in the upper right corner of the screen (the one under the larger “x”). Simply returning to the Table of Contents leaves the music file open, slowing down the system.

By opening any of the files on this CD, you agree to accept the terms
of the CD Sheet Music™ license.
