

Vocal Exercises The Ultimate Collection

Table of Contents

Instructions (for PC users): To open a sheet music file, find the “**bookmarks**” section on the left side of the screen. Click on the plus sign in Windows, or the triangle on the Mac, next to the composer (e.g. “**Abt, F.**”), then click on the title you would like to open (e.g. “**Practical Singing Tutor**”). Note: This document (the Table of Contents) is for reference. Clicking on the titles below will not open the music.

For faster searching: (1) (Windows users) Go to the upper left corner of the screen. Click “**File/Preferences/General**” and *uncheck* the box labeled “**Open Cross-Doc Links in Same Window.**” (2) Close files by clicking the smaller “x” in the upper right corner of the screen (the one under the larger “x”). Simply returning to the Table of Contents leaves the music file open, slowing down the system.

By opening any of the files on this CD, you agree to accept the terms of the CD Sheet Music™ license.
